RULES AND REGULATIONS

EMERALD LAKES MOBILE HOME PARK

These Rules and Regulations have been developed for your convenience and protection and supersede and cancel all previous Rules and Regulations. If we are to be successful in achieving a high standard and quality of living in our community, it is necessary that we have your cooperation. These Rules and Regulations apply to all "Homeowners" as defined in Chapter 723, Florida Statutes and "Members" of the Co-op as in Chapter 719 Florida Statutes (hereinafter collectively named ("Resident(s)")) and to Renters and Guests where appropriate. The owner of the Park ("Community") is EMERALD LAKES CO-OP, INC. (hereinafter named Co-op or Management). All new Shareholders, Homeowners and Renters shall receive from Management a copy of Rules & Regulations to be read and signed that they will abide by them.

The rights of Management set forth in these Rules and Regulations are cumulative and failure of Management to exercise any rights shall not operate to forfeit any other rights of Management. No waiver by Management of any Rule or Regulation shall be deemed to constitute or imply a further waiver of that rule or any other rule or regulation. These Rules may be amended from time to time. All Homeowners will receive written notice of amendments 90 days prior to the effective date of the amendment. Any violation of these Rules and Regulations by a Resident will be considered a breach of the terms of tenancy and appropriate remedies may be enforced

While conflicts between neighbors are not within the scope of Management, the enforcement of the Rules & Regulations is, and, as such, violations should be referred to Management for resolution by filling out a RIF (Resident Input Form). Residents should consider the nature and severity of the offenses before reporting them.

I. ADMISSIONS OCCUPANCY

Residents shall not, without the written consent of the Directors of the Co-op ("Directors"), on such condition as the Directors may prescribe, occupy, or use the mobile home and Homesite or permit the same or any part thereof to be occupied or used for any purpose other than as a private dwelling for Residents. In no event shall more than two persons permanently reside in the mobile home without the prior written consent of the Directors. One Resident in each mobile home shall be fifty-five (55) years of age or older. The second resident must be at least forty (40) years of age. However, if more than ninety-five (95%) of the mobile homes in the park are occupied by at least one person fifty-five (55) years or older, then the Directors, at their sole discretion, may (but are not required to) permit occupancy by two persons, neither of which is fifty-five (55) years or older, but both of whom must be at least forty (40) years of age. No other person shall permanently reside in the unit who is not at least forty (40) years of age or older without the written consent of the Directors.
